This summer, Jesus is going to help us "Power Up" as we train our hearts and spirits to become full-fledged superheroes! These heart-pounding, pulse raising training sessions will take place daily from 9:30AM-12:30 PM. Our Superhero Team will complete faith exercises in our training program which are about far more about getting in shape. It offers kids the opportunity to help reshape their world! We will build up our spiritual strength as we hear stories from the bible which will include the Good Samaritan, the Woman at the Well, Jesus Washes the Disciples' Feet, the Raising of Lazarus, and the Unforgiving Servant! Through their experiences, children will be challenged to build themselves up so that they can help build others up. Every activity (games, crafts, refreshments, and more) is designed to strengthen their faith. Energizing music will encourage us to "Power Up!", to take "A Leap of Faith", and allow Jesus to build us up from the inside out so we can become powerhouses for Him. We need more superheroes in the world! Please sign your kids up today!
